Requires is a crossword puzzle clue. Clue: Requires. Requires is a crossword puzzle clue that we have spotted over 20 times. There are related clues (shown below).

Character Requires Revering Truth - Dr. George Simon

As you can see, we are immediately invoking an anonymous function and as a parameter inlining function which has all the logic inside. This way if define is present, we are not doing anything, just defining a module, otherwise invoking it immediately by passing dependencies (in this case jQuery) from the global scope.

Changing Company Culture Requires a Movement, Not a Mandate
